BRAC University (Department of Computer Science and Engineering)
CSE 110 (Programming Language I) for Spring 2024 Semester

Quiz 5
Set A

Student ID:
Section: **Full Marks: 20**
Name: **Duration: 20 minutes**

---

1. Implement a Java method to reverse a string using recursion. 6

Sample Input	Sample Function Call	Output
"Hello World"	String x = reverseStr(str); System.out.println(x);	"dlrow olleH"

Ans:

2. Implement a Java method to find the sum of digits of a given positive integer using recursion. 7

Sample Input	Sample Function Call	Output
4624	int x = sumDigits(n); System.out.println(x);	16

Ans:

3. Implement a Java method to calculate the power of a number base raised to an exponent exponent using recursion. 7

Sample Input	Sample Function Call	Output
5 3	int x = calculateExponent(a, b); System.out.println(x);	125
