

HUM101: World Civilization and Culture
Fall 2025

Assignment 1

Choose **any two** flood myths (ancient Mesopotamia, China, India and Mesoamerica) of your choice. Use Joseph Campbell's (1964) ideas on functions of myths to analyse the sociological and pedagogical functions of the two flood myths chosen. In your essay, analyse how the myths explored ideas of divine justice, and shaped social hierarchies and a sense of identity.

Please do not write summaries of the myths, only mention relevant sections to build context.

Instructions:

1. Word limit 750-1000 words
2. Times New Roman 12, spacing 1.5, justified alignment
3. Cite all sources consulted (use **APA 7th**); do NOT plagiarise
4. Use credible sources (at least 2)
5. Do not use AI [Using AI to generate written content, no matter what percentage, will get you a zero]
6. Submit softcopy via Turnitin
7. Submit hardcopy (both sided printing) at my desk
8. **Deadline: October 31 Friday (11:59pm)**, [hardcopy submission by 5pm (1 November, Saturday)]

PS. Deadlines cannot be extended. Please try to start early, use the weekend and finish on time.

Grading Criteria/ Rubric

Component	Percentage
Structure	20
Integrating credible sources	25
Critical analysis of sources and own commentary	25
Citation and References	20
Following Instructions	10

The total will be converted to 5 points for the assignment grade

Support from ST [Suhaina Hadi]

The ST will only help with structure, citations and references, NOT content. Please maintain respectful communication with the ST and accommodate her working hours. Please book appointments through [calendly](#). Please follow the email [format](#) when reaching out to her via email (suhaina.hadi@g.bracu.ac.bd).
